

Parent engagement workshops encourages families and school staff to work together to support and improve the learnings, development and health of students through the 10 components, of the WSCC Model.

- Learn how health promotes achievement in school and life.
- Understand how your school district works.
- Increase your literacy skills for in-home learning with your students.
- Discover the important role of parents in shaping school environments.
- Participants will receive \$75.00 stipend for attending all 3 morning or all 3 evening sessions.
