

FAMILY MATH COMMUNITY OF PRACTICE

Center for
Family Math

The Center for Family Math
and
New Jersey Family Engagement Hub
invite you to participate in a weekly virtual family math
community of practice in September 2025

Who: Family coordinators, educators, librarians, after school staff and more throughout NJ

What: Learn strategies to engage families in mathematics learning, overcome math anxiety, and share ideas with other NJ professionals.

When: 4 weekly virtual sessions 3:30–5pm EST.
Monday September 8th, 15th, 22nd, and 29th.

This professional learning opportunity is being offered at no cost to participants, has limited space, and is available to professionals from a variety of learning spaces including schools, libraries, after school programs and more. To optimize time together we ask that participants commit to all four dates.
