

Together! Families and Schools Can:

- ★ Make a difference
- ★ Promote a positive impact on student learning
- ★ Enhance student outcomes

Assistance is available to support the engagement of families to improve outcomes for students with disabilities

FOR PARENTS AND CAREGIVERS

- ✓ Become an informed and active participant in your child's education
- ✓ Partner with educators to improve programs and practices for all students
- ✓ Start or strengthen a parent group in your district

FOR SCHOOL DISTRICTS

- ✓ Engage all families to improve student achievement
- ✓ Enhance parent involvement through family-educator collaboration
- ✓ Amplify parents as partners in school improvement efforts

Group HUB

Provide multi-faceted assistance to districts with their parent group including resource collections and workshops

BookSHELF

Provide universal & individual assistance to districts on supporting family engagement in early literacy at home
